

Vote Jasmine as your secretary and social sec!

Some things about me

- Been practicing archery since 2015 and still going strong 😊
- 1st year studying Religion, Politics and Society (yep am a nerd)
- Very shy at first but becomes a crazy person once we got close (ask Henry and Samson 😊)
- Love a good party
- Hoping to run for president next year

My experiences

- Committee member in college's archery team
- Assistance and secretary for an NGO company last summer

My goals for the club this year

- Smooth communication between the committee and the club members, keeping everyone up-to-date
- Clubbing events e.g. Mischief or Fruity (who doesn't love a great night-out)
- Otley runs (I will make sure all of you get hammered 😊)
- Tag archery or even axe-throwing!
- Barbecues or picnics (if anyone wants)

I love archery, and I really hope to contribute to the club by becoming your secretary and social sec. I promise to help run the club as smoothly as possible and to bring as much joy to you guys as it has for me.
