WHY VOTE FOR ME

- As an International Relations student, I know how to keep things running smoothly, no matter how many moving parts. From global summits to ACS socials – I'm your girl for planning like a pro.
- I listen, I care, and I act. I'll make sure your ideas don't get lost in translation and help turn them into real ACS magic.
- I would combine academic discipline with a deep respect for African and Caribbean culture. I will handle the administrative side of ACS with pride, care, and precision.
- I want ACS to not only run well but feel like home. As secretary, I'll make sure every member feels included, informed, and connected.
