

WHY VOTE HOLLIE FOR DEPUTY

Degree: 3RD Year Journalism student

Career ambitions: Radio Producer/Newsreader/ music journalist - not quite landed on just idea one yet

Previous shows/teams: JazzFunk and Soul, Interview Hour, Playlist Team, Friday Home Time.

Journo experience: I currently write music gig reviews for an online arts mag, plus I've just started out on doing some freelance work at Capital Yorkshire (hugely buzzing about this one)

Since expressing interest in radio to friends and family I have been told repeatedly that I have the face for it (please see image above) hence my ambitions to help run our society for all to enjoy the wonders of radio. I really do like to think that over the 2 years I've been here at Leeds uni I've picked up some versatile skills both radio-wise and student life-wise that I can impart in this role to help make LSR committee and LSR members' lives that bit easier throughout the year. As deputy I would be on hand as a super friendly character to discuss creative ideas offer everyone the most out of their membership, a point of contact for general welfare if student life gets a bit much (believe me we've all been there its deffo good to get it off your chest) and not to mention organise some stella socials!

Areas of 'expertise' (and I say expertise loosely for lack of a better word)

- **NEWS** Given my degree is predominantly focused on training us for broadcast journalism, I'm competent in newsgathering, newsreading, interviewing and editing audio so will be getting involved in the news teams this year to use and share these skills should anyone want a helping hand.
- **MUSIC** My love lies in music, so specialist music shows, and the coverage of live music events have been my main enjoyment over the past year – so rest assured I'd be jumping at the chance to assist in any music endeavours members want to get involved with. I'm almost always on it with upcoming gigs so will be sure to share upcoming dates so you don't miss out on seeing your favourite artists!
- **SOCIALS** Just as I'm on the ball with upcoming gigs I also like to be in the know about literally any kind of event going on in Leeds be that House, Tech& Electronic, Disco live DJ events at places like Hyde Park BC, The Wire, Sheaf st or Wharf Chamber, free entry music events, Yoga classes or even comedy nights. I am known to drag my mates to pretty much anything, so LSR look out your socials are about to get a whole lot better.
