

Vote Shasha for

STEM Director

i made
this

About Me

- Penultimate Year Computer Science Student
- Enjoys making pixel art, baking, watching K-dramas
- A sweet tooth!!
- Scholar of YTP MARA, Malaysia
- Currently working as a Technical Beta Tester at CompSciLib
- Held positions like: Leader of the School's Innovation Team, President of the Entrepreneurial Club, and Treasurer of Librarians

Goals

I aim to host and facilitate the following for WILS 24/25:

- **Workshops:** Focus on key skills in STEM, like coding, data analysis, and scientific research methods.
- **Success Stories:** Showcase the success stories of UOL alumni who have excelled in their fields.
- **Event Research and Curation:** Regularly research and curate a list of STEM-related events, conferences, workshops, and seminars happening across the UK.
