for events sec!

EV

Hey! I'm Ev

Me during serious musician time

Me when it's a LUUMS event

- First year music psych student
- Active member in LUUMS as I'm in Sinfonia, Symphonic Choir, Symphony Orchestra and Chamber choir (shadow conductor) and depping for most other ensembles, = life as a bassoonist
- I also want to conduct Symphonic choir next year!

Why would I be a good events sec?

- Strive to make every event as inclusive as possible for everyone from postgrads and master's students to freshers!
- I would actively listen to member feedback and encourage new ideas
- I would work with treasurer & Fundraising Sec to keep events LUUMS ball accessible to all
- Being part of so many ensembles has helped me to organize my time effectively and integrate myself into the society.
- I'm a sociable person who adores meeting new people and isn't a stranger to a good time.
