

CHARLEY FOR SOCIAL SEC!

Hi, I'm Charley, a first year Physics student and believe social sec is an appropriate job for me. I have many ideas for next year, including more pub nights, a variety of destinations for pres and more themes for Otley runs and other nights out, along with more sober socials. As your social sec I will work with other members of the committee to improve the PHYSOC community beyond bonding over how hard the course is! I plan on organising more socials next year, from pub nights to trying to outdo this year's secret social (this may be a challenge). I have been to multiple PHYSOC socials this year and would love to help organise them next year.
