ABOUT ME

Hi! I'm Anika, a second-year Electronic and Computer Engineering student, and I'd love to become your Events Secretary. I'm applying for this role because I want to create an environment where people feel included, involved, and excited to be part of, and as the Events Secretary, this would be my top priority. I'm extremely excited for the opportunities and experiences that come with this role!

MY EXPERIENCES

- Led a project at my summer internship.
- Volunteered at Leeds Euro 2025 conference.
- Had a job managing a thrift store alongside volunteering at an animal shelter.
- Organized and led multiple Model United Nations
- Active member for Women in engineering.
- Worked on several personal project for engoneering along with leading and managing group projects.

WHY ME

- I'm extremely reliable and would make it a priority to make an effort and bring energy to my role.
- Due to working in previous group assignments and leading multiple projects I've developed good communication skills.
- I have great attention to detail and will make it a priority to finish everything perfectly.
