

VOTE

Tiarri Rushton

For Event Secretary

ABOUT ME

Hi my name is Tiarri and I am a 1st year student in the 2-year graduate law program. I'm originally from a small northern town in Canada, but decided I wanted a change of scenery for law school, and so far I am loving it.

I have a bachelors degree in Psychology and Women's Studies, but a law degree has always been my goal. I like to say I've known I wanted to be a lawyer since the first time I watched legally blonde (see photo 3).

In my previous degree I ran a sorority and was on the board of an honours society. As such, I have a lot of event planning experience. I pride myself on being driven and organized. As well, I am detail oriented and very much a perfectionist. These are all skills that I will bring to this position if elected.
