

# VOTE SOPH

## Sophie Welham for LeedsMUN Vice President 2026

### Experience:

- Attended both MANMUN and LIMUN this academic year, receiving an 'Honourable Mention' at LIMUN
- Attended the 58th annual Model European Parliament in Prague

### Relevant Skills:

- Leadership and communication skills developed by being an RAF Cadet for 7 years, and being promoted to the highest rank of Cadet Warrant Officer
- Strong admin skills developed by being LURA (Leeds University Rocketry Association's) Logistics officer- making me well suited to liaising with LUU and the new, member-chosen committee

Hi all- for those that don't know me, I'm Sophie, and I would be honoured to serve as your Vice President next year. We all know how special LeedsMun is – it provides a judgement-free zone to explore debate, politics, and diplomacy (whilst having some fun along the way), and it is my primary goal to maintain this- whilst also providing more unique opportunities for us. Read on to know how, and remember: VOTE SOPH!

### Goals as Vice President:

- I would love to organise our very own LeedsMUN conference in early 2027
- I will ensure that delegates other than those on committee can gain experience in chairing, introducing new skill development and ensuring competitive applications for chairing positions at national conferences
- I will prioritise variation in weekly committee choice- fancy a juicy HOC or Crisis to test your skills? Say less
- I will confidently represent and campaign for LeedsMUN when communicating with LUU – this society (and everyone in it) deserves nothing less
