Sponsorship and Fundraising

Manifesto

- I am very passionate about raising money for charity!
- I have recently accepted a student brand ambassador job with Virgin Media, which can lead to society partnerships!

Sponsorship

- We need to develop relationships with new sponsors!
- Potentially provide sponsor incentives and contact companies who have sponsored similar events!
- Contact previous sponsors and engage with them!

Fundraising

- I have lots of ideas for new fundraisers including a dance-a-thon and potentially a flash mob!
- I would like to dedicate one day to fundraising for our chosen charity each semester!
