

# SARA HUSSAIN

Events Officer ✨

## Why me ?

Because there's always room for better ideas.

I'm someone who enjoys bringing people together and creating things people can genuinely enjoy. I'm running because I have ideas, enthusiasm and a real interest in helping make PakSoc the best it can be.

## What I'll bring to PakSoc :

- 🌟 Events people will look forward to
- 🍷 More relaxed socials alongside bigger events
- 💡 Fresh Ideas and creative themes
- 👉 A friendly and welcoming atmosphere
- 📅 Well organised planning from start to finish

## About me :

I'm a first year Pharmacology student and some of my favourite uni memories have come from the events I've attended this year. To me, the best events aren't just about the activity itself – they're about the people you meet, memories you make and the community they create.
