

Open Seat

Hi! My name is Isla and I've really enjoyed being part of the society for the last year. I would love to be able to help the society to continue to be an inclusive, fun place to be. I've been learning BSL for a while, just started a level 2 course and I really look forward to progressing further and, as open seat, helping the society to facilitate others doing the same.

Favourite Sign: Pub

Favourite BSL experience:
Helping translate a child's celebration assembly for his Deaf mum.
