

VOTE MEGAN FOR MEDIA & PUBLICITY

Ideas :)

- Collaborate with other committee members to ensure I am creating graphics/posters that match with their vision for the event
- Attend as many law soc events as I possibly can so there is a constant flow of photos
- Have a guide on Instagram at the beginning of the year to help freshers understand how to use and access the facebook page
- Bring back the law soc podcast - monthly commercial awareness update as well as tips and tricks from the committee, lecturers or alumni.

Experience

- On sub-committee for community engagement
- Was a student ambassador in my 6th form which meant I had to advertise and help organise events for my peers.
- Well- organised and diligent
- Confident with design software e.g. canva, photoshop, etc...
