

# Nia for Social Sec!!!!

I would love the opportunity to carry on the (hard to beat) work of Anna and Tilda this year as social secs.

As a regular (maybe too regular) attender of socials, I think I would be great for the role. I have always made it to mischief (even when I've not meant to) and always commit to the theme of the social.

Also, as a late joiner of the club, I know the importance of making everyone feel included and welcome as members- and encouraging everyone to get involved!

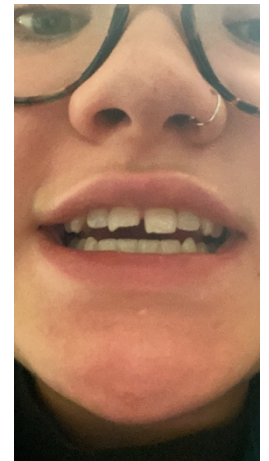

Alongside keeping social traditions such as the Old Man and His Dog, and Cricket Whites Otley Run, I plan to bring new and fresh ideas to the socials such as...

- Under the sea
- Grannies
- Idiots Abroad
- Any sport but cricket
- Pub golf
- Bongos Bingo

I also aim to make socials more inclusive for members of the club that don't drink or would prefer to take part in sober socials.

I aim to organise at least 2 sober socials a term and make more opportunities for the club to meet up outside of Wednesday socials and training.

I would also want to work with community and charity set to organise more daytime events and opportunities to raise money for charities as a club.

With a house in central Hyde Park next year and housemates that are more than happy with me to host pre drinks and socials (and most likely get involved as well) I think I would be perfect for the role.

My strongest talent is procrastinating Uni work, so I know I'll always find time to organise and plan socials and would be able to get the details of the next social out far in advance to give everyone enough time to plan.

I have also quickly befriended lots of the club and know I will be able to work well alongside the other committee members and social sec.
