

Vote Lexi for Communications!

Hi, I'm Lexi!

I'm currently a second year studying International History and Politics and have been a member of TG this year. I would have joined sooner had it not been for covid!

I've had plenty of experience in TG this year, both on stage and off, playing Bernie in *Stags and Hens* last term, and co-producing *Nothing* this term.

I'd love to be on the committee in the role of communications officer because I know what its like to come into TG with no university drama background. I want to help first-timers feel settled and help answer all queries there are about the society.

Last year's committee was absolutely lush, and I want to make sure that next year's committee is just as great! So, vote Lexi for communications!
