

# VOTE OKSANA FOR TREASURER

Solo & Chamber Showcase :)

Handing out  
flyers for the  
Delius Concert

I'm a second year Mathematics and Music student who has really enjoyed being part of LUUMS for the last two years. This year I was strings manager and I loved being on wider exec and am keen to take on more responsibility and get even more involved next year.

## Why should you vote for me?

- **Maths student** - confident handling numbers and data
- I have done **economics** based modules too!
- I love an **excel spreadsheet** – I would genuinely really enjoy this role
- I helped write a **grant proposal** as part of String's Delius Concert in Bradford, and also managed budgets for this
- Experience on **wider exec**
- Through being part of the **tour committee** whilst being strings manager I have gained experience in planning an event across ensembles and communicating with **external providers**.
- **Organised** – planned the Yorkshire Three Peaks fundraiser

## What will I do for you?

- Keep all ensembles regularly informed of their budget
- Keep all the finances in check with excellent spreadsheets
- Respond quickly to any expenses ensembles send in!
- Help with any queries or concerns of how to manage ensemble budgets.

Tour 2025!

Putting up our concert posters  
in Bradford Cathedral!

Strings Spring Concert

Yorkshire Three Peaks!!!
