### ABOUT ME -

Hey everyone!

I'm Pranjal, a second-year law student with a passion for mootng! Despite being new to the game, I surprised judges and myself by making it to the final round of the Moot competition last year, showcasing my determination and skill.

In addition to my mootng experience, I've actively participated in workshops to enhance my skills. I've also had the privilege of observing trials while assisting senior lawyers in court. This hands-on experience has given me a deep understanding of courtroom dynamics, legal etiquette, and persuasive advocacy.

Participating in mootng competitions boosted my confidence and honed my abilities, experiences I believe are invaluable for aspiring barristers or solicitors. Now, I'm eager to share my insights and help aspiring mooters develop their advocacy abilities.

With a solid background in public speaking, research, and legal analysis, I'm confident in my ability to mentor aspiring mooters. Let's make mootng a rewarding and enjoyable experience for everyone involved!
