

Vote AMBER For COMP CAPTAIN

Why Me? Organised

I am extremely organised, I practically make lists and schedules for fun lol. I would meet deadlines for competition forms, sort costumes out early and choreograph over summer to ensure not only I feel confident for comps, but my team aswell :)

Dedicated

I have been dancing since I was two and competing since I was 3. My mindset is extremely competitive & I would push the team to the best of its ability. I am willing to put the utmost effort into late night rehearsals, endless choreography and making you all WINNERS.

Approachable

I know what its like to feel anxious about performing and I understand the burnout after hours of rehearsing. I am always more than happy to spend time with people going over choreo or even just to talk about any concerns. I aim to create a welcoming environment where you can showcase your true talent!!

Creative

I would love to bring big ideas to the table and walk into comps with some powerful dances (I'm talking lifts, more tricks and plenty more turns in second). Im always choreographing something in my head and I listen to the widest range of music. My mind is filled with endless ideas.

Positive

I try to radiate positivity in every situation. I am one big hype man and promise to lose my voice screaming for each and every one of you. I want to enforce the most positive group attitude to the team having you all walk into comps with a winning mentality. Mindset is everything, if you believe you can win, you will!

About Me Hi, I'm Amber!

I have never felt more proud to be part of such a talented, kind and welcoming group of people. I am a 'retiring' silly fresh looking to challenge myself in second year and lead this team to further victory!! You can count on me with experience in styles from Jazz, Contemporary, and Commercial to Latin, Afrobeat and even Baton Twirling lol! Being your soloist of 24/25 has been the greatest honour and I would love to show you all what more I can do!!

What I plan to bring to the team:

Skill Sessions

I aim to hold sessions to improve on turns/ jumps and tricks to create a well rounded team

Warm up/Cool down

I am a firm believer of preparing yourself before every class to avoid injury, plus hyping urself up with a banging playlist is a MUST!

Creative Wildcard!!

After seeing the standard at Loughborough, Im determined to reach our full ability and enter with a crazy, memorable wildcard. I have a few ideas but pending for AGM!!

Adv Jazz & Contemp!

I have some really exciting ideas for these categories from a massive emotional contemp number to a powerful tribute to MJ and his three most iconic albums!! Will go into more detail at AGM :)

Costume fundraisers!!

I believe effective costumes are so important for our teams image. I would work with treasurer to discuss any ways of raising money for better costumes

+ more to
discuss in
AGM!!
