

Vote CHAYA for TREASURER!!

Why I'm Running:

- ❖ I care about ensuring a positive experience for next years Natural Scientists and understand that financial management is key for this
- ❖ I am organised, detail-oriented and confident with budgeting
- ❖ I believe my skillset allows me to provide the most benefit to the society by tracking and managing its spending

Why I am suited to this role:

- Taking the maths pathway has provided me with numerical and analytical skills
- My work experience as a tutor and usher has made me an effective communicator and team collaborator
- I am proficient with spreadsheets and budget tracking
- I am committed to making the most of our funds and to ensure everyone benefits from the society

As treasurer I will:

Maintain clear and organised financial records

Ensure responsible and transparent use of society funds

Work with the committee to create inclusive and financially sustainable events

Explore cost saving ideas and opportunities for additional funding

So make your vote count like I'll make every penny count and vote Chaya for treasurer!
