

about me!

what you must
know about me:

hey, i'm aylin — a cs student
into art, fashion & creative
content

i've worked on marketing for
a large conference and
currently teach at stanford
code in place

i know how to create content
that people actually engage
with — not just scroll past

**AYLIN FOR
SOCIAL MEDIA
OFFICER**

content. creativity. community.

i want to bring:

-  better event promotion
-  aesthetic & consistent posts
-  stronger engagement
-  more visibility for your work
