

Running for the Presidency
Want the opportunity to contribute
to the great success that Motorsport
has seen in the last 2 years
Continuing the great work laid down
by the previous committee and
increase engagement across the
whole society

As President, I will strive to
make this Motorsport
Society not just a society,
but a community where
passion for motorsport
brings people together both
on and off the track. I am
committed to building a
thriving society off the back
of the success I have been
so lucky to be a part of as
a member, and aim to
make this one of the best
years for the society.
