

KIRSTIN FOR SWIM SEC

Vote Kirstin swim sec for organised trips

What I'll do for SWP:

- Organise incredible transport (or lack of) it to BUCS
- Actually organise a fabulous coach for BUSL
- Organise a hotel for BUCS really early so it's very cheap
- Book restaurant in a reasonable walking distance from the hotel eg less than 20 mins

I went to both long and course BUCS and so I know how the competition works.

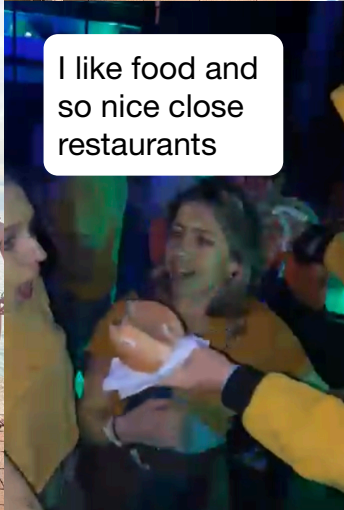

I have been to more than 20 competitions in Sheffield over my time swimming and so I know it worryingly well meaning I would be able to book the best restaurants and hotels

I have been swimming for way too long and look fabulous in a swimming cap.

I'm in performance so could work closely with the captains.

I like food and so nice close restaurants

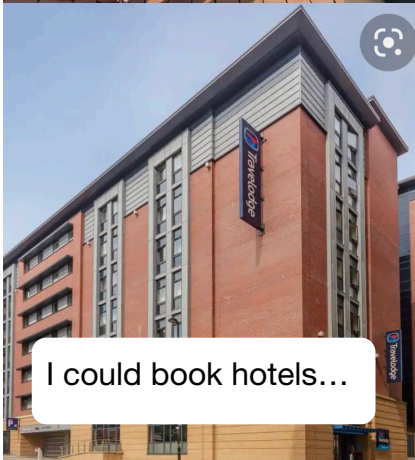

I'm organised as we still passed our inspection the morning after post BUCS.

I like socials

HYDE PARK
2 Headingley Lane

I could book hotels...

And coaches - but I also know that the train is quicker and cheaper
