For

Secretary

I would like to run for secretary as I want to become an integral part of the society and be able to get to know all the members better while we all learn salsa together!

I do have experience handling emails as I have to constantly write and send them at my current job.

Having met a few of the members of the society already, makes it much more exciting for me to nominate myself to be part of the new wonderful committee for next year!

I also really enjoy being able to speak Spanish at times and even be helpful for those who want to practice their Spanish!
