

VOTE EVA

FOR BFS SOCIAL SECRETARY

about me!

- Name: Eva Baskott
- Course: Year 1 English and Comparative Literature
- I love music, my favourite genres are R&B, alt-pop and jazz

my hopes as social sec:

- More regular socials, with an increase in inter-society collaboration
- Direct feedback from members about what they want to see from socials throughout the year
- Socials catered towards discovering more of Leeds's black community, businesses and history

why I love BFS:

Coming to university and discovering a society full of people creating a community fostering a safe space for black women was key to my experience, so I can only hope to join the committee and give that to the next year of black feminists at Leeds
