

SOCIAL SEC 2022/23

Things that would be introduced

- More sober socials
e.g. laser tag and roxy
- More joint socials with other societies to get us more intergrated
- New themes
e.g. Rubiks cube, Gru and his minions, etc

What would stay the same

- Current amazing socials
 - Old man and his dog
 - Back to school
 - Whites Otley Run
- The fun and all encouraging community that has been already built
- A social sec that will look after you on a night out (like amazing Anna has been)

Why vote me

- Love costumes and all things social
- Very committed to the social shown by my high attendance to socials and training
- Will always be sober enough on a socail to look out for people
- I would work well with others on committee
