Who is Steph?

All Images News Videos Shopping More

MArts/BA Music and Music Psychology + 65

4th Year IC number starts with S

Born and raised in **Singapore** and been studying at the **University of Leeds since 2018**, so it's really become my second home. You can usually find me at Eddy B, Common Ground or Old Bar 😊 I've **been on placement** for the past year, so I'm excited to return to Leeds for my **final year** this September and can't wait to get involved!

Skills

Organisation

Time Management

Communication

Collaborative

Creative

Two year experience working with LUU

Knowledge of LUU's ways of working and administrative purposes, which will be useful to help our society run efficiently.

Various leadership and committee positions at uni since first year

Have the experience of being in different committees, working with diverse groups of people, and always open to new perspectives.

Transferrable skills

Organised lots of events and initiatives when I was a Hall Exec for Central Village (2018/19), had to attend and chair meetings when I was the School of Music's Undergrad School Rep (2019/20) and Course Rep (2018/19, 2020/21), experience in project/timeline management during my placement year (2021/22) and good at decision making.

What will Steph do?

All Images News Videos Shopping More

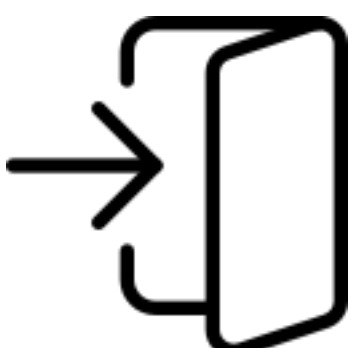

Strengthening the support system of the society

Working on harnessing better **follow through** of our members— from pre-arrival till graduation! Moving away isn't always the easiest, so I want to work on ensuring SingSoc can provide the **support** needed for our members, but also help them integrate into the uni better.

Improving accessibility in our society

Ensuring that our events are **inclusive** by finding out the interests of our members so we plan events that they want to see, and working closely with the treasurer to work on making sure our events remain **affordable**.

Increasing welfare initiatives

Uni is hard (and expensive), so one thing I want to do is work with the rest of committee to secure more partnerships with different food places in Leeds so we can get more **discounts**! Also want to organise initiatives to support members during exams seasons.
