

Treasurer Application

About Myself:

- I'm A Second Year Economics & Finance Student
- I love competing in our Tdy and Bukc events
- I'm an incoming Intern at the London Stock Exchange

What I'd do if I got the role

What I would bring to the role

- I'd bring budgeting and cash flow management knowledge that has been acquired as a part of my accounting course modules
- I'D bring excel knowledge from my Excel exam whereby I'd forecast future costs and balance the societies budgets

- I'd ensure all the societies cash outflows are managed along with pushing for future cash inflows
- I'd look for future society sponsorships and funding in order to support our growth in participation and events, ensuring all events stay affordable
- From my upcoming Internship my time management skills will be reinforced ensuring all payments are made promptly along with my presentation skills to support our members understanding of pay claims
