Hi, I'm Ashni and I am running for Social Excursions Secretary! I am running for Social Excursions Secretary as I'm really passionate about travelling, and also love planning trips, and now we can go abroad once again would love to bring people on the law society closer together this way! I'm currently in my first year, and would love the opportunity to become more involved in the Law Society as I've really enjoyed being a part of it this year and would like to get to know more people in the society.

Some of the recent holidays I've organised:

Venice

Singapore

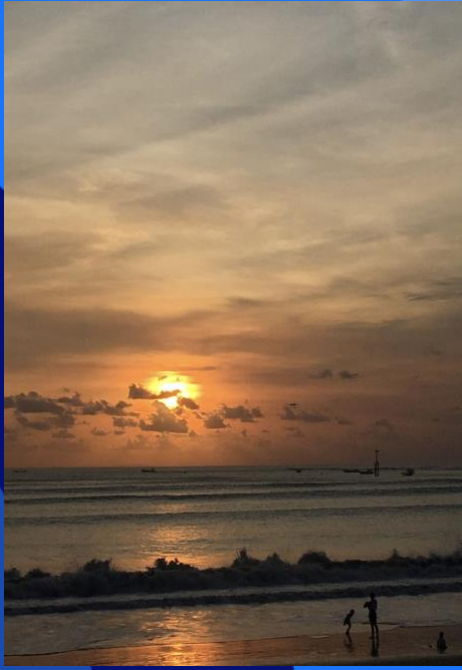

Budapest

Barcelona

## Ideas and aims

- Obviously, the city break and trip over the summer! Not only will these focus around nightlife but I will plan alternative events, to get to know the city and other law society members.
  - My ideas are currently Amsterdam for the city break and Barcelona for the summer.
- Increase the number of trips around the country to meet with law firms and other law societies.
- More trips around Yorkshire and to other cities as a society.

## Experience

- I've planned numerous trips for my friends and family (recently planned a trip to Switzerland for 30 people!), including talking to travel companies and catering to everyone's budget.
- As House Captain I planned numerous events at school, mainly focused around charity events, and also trips.
- As a Young Enterprise Company Secretary, I had to liaise with people across our company to ensure that our budget was being adhered to, and liaise with local business people and event coordinators, so I'm very comfortable talking to people to organise events.
