*For President*

Leeds Plastic, Reconstructive  
& Aesthetic Surgical Society

## ABOUT ME

### Year 4 + Oxford Intercalation

Entering Year 4 at Leeds; currently intercalating MSc(Res) Surgical Sciences at the University of Oxford.

### Plastics Research

Active research in reconstructive plastic surgery, with focus on post-oncological reconstruction.

### PRASSA Regional Lead

Yorkshire & Humber Lead for the Plastic, Reconstructive & Aesthetic Surgery Student's Association.

### EXSEL Research Scholar

Working closely with academic surgeons at Leeds, including in plastics-adjacent fields.

## MY PRIORITIES IF ELECTED

1

### Teaching & practical skills

Regular suturing, reconstructive principles, and flap teaching sessions.

2

### Speaker & careers events

Consultants, registrars, and trainees on careers, subspecialties, and academic pathways.

3

### Regional collaboration

Joint events with other plastic societies via PRASSA, strengthening LPRASS beyond Leeds.

4

### Research, audit & mentorship

Expanding access to opportunities through established academic relationships.

5

### Full scope of plastic surgery

Reconstruction, hand, burns, trauma, oncology, and aesthetics.
