

HANNAH FOR SOCIAL SEC

Having come from a small town in North Wales to a big city, I understand the importance of having the opportunity to get to know as many people as possible and feel like part of a community whilst at University. Therefore, as Social Sec I will ensure to organise well run, fun social events for all members of CrimSoc and create an inclusive environment.

Having already attended some of the events run by CrimSoc this year, I would love to be a part of the committee and organise events such as the Otley Run and Christmas Dinner next year!
