

ALLY FOR SOCIAL SEC

Hello friends and welcome to this scary corner of my mind. Do I have some secret desire to be a cyclops? Possibly. We can find out on a classic classics themed Otley Run ;)

I'm very keen and very excited to apply for classics social sec this year. I've loved everything we have done so far with the amazing committee and of course I have tons of ideas for fun things to do this year.

- Pub trips and quizzes
- Club nights, mini golf and bowling.
- Sober socials like pottery painting and carrying on the classics film night. Themed dinner parties and so much more.

And of courseeee, I'd love to make this year unforgettable by working to make the trip abroad and our ball as amazing as it can possibly be.

All my love and blessings from the gods,
Ally xx
