

I have been in Guiding since I was a baby! From going on camps in nappies to leading an INTOPS trip to Sweden, I have experienced nearly all guiding has to offer!

At Warwick, there was no SSAGO when I started, so I set up WUGS and was the president for three years

## Isobel for Quartermaster

I have lots of experience looking after equipment at Warwick, from buying new tents to storing the entire collection of club kit in my bedroom. I have custom clothing and badges many times, and successfully maintained records of borrowed equipment

As quartermaster, I would maintain and appropriately store equipment, and work with the treasurer to purchase new kit and items as necessary. I will ensure orders of clothing and badges are completed and distributed efficiently. I also would love to keep a detailed inventory and records of equipment condition and use.
