

# Serena Patel

Stem Director 23/24

## What can I bring to the role?

- Ensure to take feedback from members and present these to the rest of the committee.
- Create even more events for STEM students and a few that cater to specific subject such as a chemistry tailored event.
- Increase the number of partnerships with STEM firms such as construction, pharmaceutical or technology etc.
- Both approachable and welcoming any suggestions or answering queries people may have.

## Why I'm qualified for the Role?

- Studying 3 STEM subjects gives me a well-rounded overview of STEM degrees.
- I was a part of my College's Chemistry reading Society and have some great ideas for next year's #STEMinist Week!
- I was a head member of the Junior Leadership Team where I had to plan and presents assemblies to staff and students regarding new ideas for the school to consider.

If you have any questions, please leave them in the comments below and I'll try my best to answer them.
