

# California Dreamin'... of being your comp captain!<3

Why I would **love** to be one of your Comp Captains:

- ★ LOVE choreographing, really enjoyed the whole process of creating my dance for the show this year from choosing the music to finding the costumes, so I know this is a role I will give 100% to!
- ★ Have been participating in dance comps for a large part of my life so have a lot of inspiration to draw from for creative routine ideas
- ★ I have experience in a wide range of dance styles including tap (advanced 2!) - handy for other choreography such as LUU
- ★ Have been a committed and involved member of the society this year so know I would be fully dedicated to being on committee
- ★ Love working as apart of a team, one of the reasons I enjoyed comp so much!
- ★ Have new potential ideas: organizing a fundraiser for comp costumes, a street small group routine, technique sessions focusing on certain skills (e.g turns, jumps) where members who excel in these areas can share their tips and tricks to help us put our best foot forward for comps!
- ★ The experience I have gained teaching and leading rehearsals for my dance this year makes me confident I can take on the challenge of running comp
- ★ I'm a good planner and always on top of deadlines- important for the organization side of the role
- ★ I just love Exposé! Comps have been some of my favorite memories this year so would love to be able to contribute to the experience next year :)
