Bit about me

Watching Zac Efron in hairspray was my gay awakening.

Love a cocktail – bevs anyone?

Have ADHD so will talk your ear off

Have been singing for as long as I can remember, even once did a drag act to mama Mia/ ABBA in my year 4 school performance (how I didn't know I was gay till 14 I don't know)

Cabaret is my all-time fav musical.

Can get self-conscious about solos.
But pull through with self-deprecation.

Why vote for me?

As an art student and creative I have an eye for design and am versed in marketing techniques that could help establish social presence for the society, both on social media to promote activates but also to keep members up to date.
I have skills in photography, film and design.

As a member of the LGBTQ+ I aim to create a safe and welcoming environment for everyone, I will ensure the welfare of members as well as making the society feel as inclusive as possible as a safe space to make friends.

I'm the life of the party and plan on some fabulous socials, though I can be chaotic - (Thank you ADHD) I will make sure everyone has as much fun throughout their time here in PAS.
