

HELLO, I'M

**Nechama  
Giffen**

Birthday: 14/09/2004

Interests: Medical  
Research, Surgery,  
Neonates, Blood Vessels

### ABOUT ME

Second year medical student.  
Passionate about research and  
have an interest in vascular  
surgery.

Current 2<sup>nd</sup> Year MSRC Rep  
1<sup>st</sup> Year MSRC Rep 2023-24

### MY HOBBIES

- Crocheting
- Running (it's a struggle)
- Reading

### WHY YOU SHOULD VOTE FOR ME?

- I shall improve the program by ensuring surgeons understand the commitment involved
- I shall help you develop your own proactive skills, so at the end of this program you feel confident reaching out to surgeons
- I understand the fear in contacting surgeons and clinicians, so I can empathise with you.
- I am always working on improving myself, so I shall listen to your feedback.

Here is my LinkedIn if you want to know more about me:
