## Political & Campaigning Rep

Hi I'm Josh, a BA Politics student running to become your LUU Political & Campaigning Rep!

My experience ranges from campaigning on global issues, to those which are more localised - especially through canvassing.

I want to oversee and encourage a growth in society memberships and formations.

## My pledges to you

### A platform for all

- Certifying that a diverse plethora of voices are heard
- Commitment to freedom of speech and expression
- Open-minded consideration of prospective societies
- Assistance with society events (through delivery and/or promotion), ensuring they are observed by the university and nationally

### Transparency

- Greater communication in the allocation of society funds
- Visible and approachable leadership
- More meetings, establishing a close and thriving relationship with societies
- A review of LUU election rules, so it is accessible to all

### Firm leadership

- Guarantee that all complaints and feedback given by societies are heard and acted upon by the Executive
- Equal and just examination of society conduct, should a complaint be raised
