

# MEGAN SHAKESPEARE

## For Social Sec

Hi, I'm Megan a 1st Year Economics student from South London

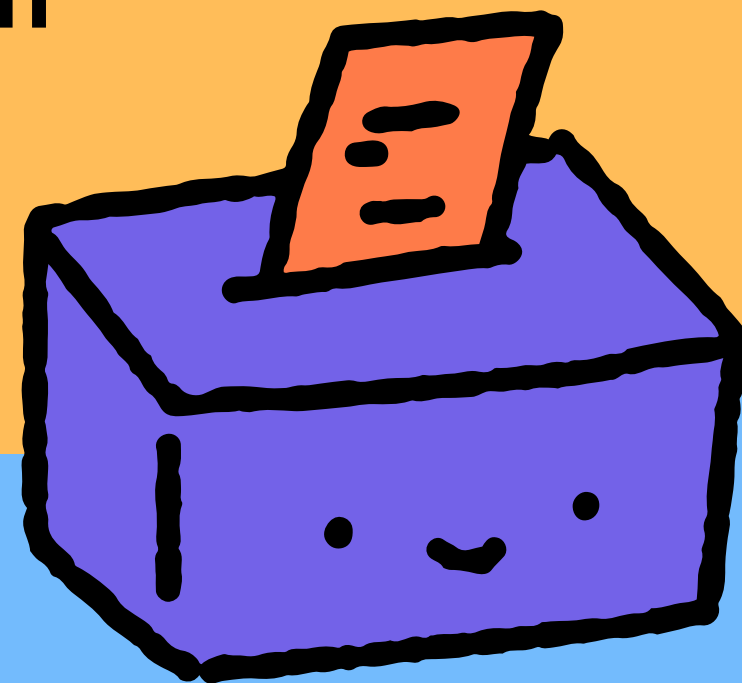

I've enjoyed EconSoc events this year and would love to be the Social Sec for 2024.

I'd Aim for a **more sociable society**, through bigger, better and more frequent events. To create a **closer community** that brings together all students of the subject whilst having fun.

### What I'd Bring:

- Frequent socials
- Something for everyone - Sober socials to nights out
- Ensure socials are affordable
- Collaborate with other societies for bigger events
- Fridge-to-fridge and house pres - (keeps it cheap!)
- Otley run
- Polls on Instagram
- Groupchat
