

Vote Neva for Treasurer!

Why you should vote me:

1. I will ensure we have an amazing year like this year by keeping the classic teas fully stocked
2. My mum's a finance officer so I've already been bullied into budgeting well and keeping good records
3. I work with children so keeping a level head it a must
4. If things get out of hand, I do know how to shoot a rifle so I can calm things down (under threat of violence)
5. I have experience with money doing ticket sales and working on a confectionary stand for a theatre I volunteer for
