

## Vote Hannah for Social Sec!!!

Hey everyone! My name is Hannah, I'm 20 years old from Kent and I currently study English Literature. I would love the opportunity to be social sec and help you get the most fun out of English society.

### Events I intend to hold:

- A boozy book club
- Frequent club nights
- Themed Otley runs every semester
- Fun evenings out such as bowling, crazy golf, escape rooms and pub quizzes
- The continuation of English teas but with themes rotating every week such as board games or crafts to get the conversation flowing
- Collabs with other societies such as wine and film soc

University can be a lonely place sometimes and it can be difficult to get back into the social swing of things after a long period of covid lockdowns. That's why as social secretary I promise to create a close community where it is easy to make new friends and get out and about.
