

VOTE MIRANDA FOR VICE PRESIDENT

AS YOUR VP, I WILL:

- Provide more support and preparation for RFL so everyone can join in
- Continue to make RFL even better, (and campaign for spinner weapons!)
- Promote more networking and skill development opportunities
- Work to put on more regular socials and trips
- Run more industry events with prospective employers
- Organise more regular RFL workshops and build sessions
- Work with events secretary for a big Shocksoc trip!
- Work with other societies such as WIE to run events, socials and workshops

A BIT ABOUT ME

- I am friendly and sociable and am always up for a chat
- I study mechatronics and robotics
- I entered RFL as a complete beginner this year – and won!
