

# BELLE FOR WELFARE!

## About me:

- I am a second year, studying Liberal Arts
- I have been a member of kickboxing and krav maga for two years
- I would love to be more involved in running and improving our society!

I would be genuinely dedicated to making sure that everyone feels included and can have fun!

## My aims:

- To have sober socials throughout the year so that everyone can enjoy themselves, such as games nights or picnics
- To have regular well-being surveys, so that anyone can raise a problem or make a suggestion anonymously
- To welcome new joiners next year and make them feel included
- To be a friendly face at training or at socials :)
