

POSIE WOULD VOTE FOR ROSIE!

Vote Rosie Mann for your HR Coordinator

Hey guys, I'm super excited to say that I'm going to be running for the position of HR coordinator this year! Exposé has made the first two years of my university experience the best I could ask for and I'd love the opportunity to spend my final year giving back to the society and all of you lovely ladies.

MY MAIN AIMS AND IDEAS:

- Bring back one on one meet ups at the start of the year with the freshers to help welcome them into the society.
- A set out timetable at the start of term for monthly sober socials- lots of fun ideas for these, including maybe some bigger days out together (but of course keeping it cost friendly)!
- Super exciting stash ideas including:
 - Baby Tees
 - Exposé dance bags
 - Cropped vests
- Putting out a google form for any stash items that people really want to have next year.
- An anonymous help service, so you can drop me a message about any issues or worries without it feeling so intimidating!
- More awards (like at pre pro) to keep everyone motivated on the long days such as comp.
- Set times when I'll be on campus if anyone wants to talk about anything or even have a joint study sesh.
- And an open door at all times!

SO WHY VOTE FOR ME?

I believe that I would be a great fit for next year's HR coordinator. I am an approachable person who is always happy to talk with you about any problems that you may be experiencing and help you with them to the best of my ability. I pride myself on being a good listener and plan on going into clinical psychology as a career (which is literally all about improving other people's wellbeing)! Not only this but I am someone who can be relied on for being organised and ensuring that things get done. I love all things Exposé and would thrive at the chance to be a part of making the society the best it can be next year. Also, I really enjoy fashion and always love thinking up my next dance rehearsal outfit and so would take pride in being responsible for all of our stash next year!!!

MORE IDEAS AND INFO ON ALL OF THIS COMING AT AGM!!
