

Although I have only been a part of this glorious society for one year, I believe I can utilize my fresh perspective into implementing novel ideas which will take the society to new heights. These ideas include:

- The introduction of the LUGC majors:
 - 1 The Wike Ridge Masters (Individual stableford tournament)
 2. The LU Open (Individual Gross tournament)
 3. The PDA Championship (foresomes tournament)
 4. The Texas Scramble Open (Texas scramble tournament)

This will not only encourage the entire society to play together more often but will keep Helme's ego in check when he inevitably loses every single comp

- After much deliberation, the rumored LUGC tour will become a reality. Potential destinations are already being discussed ...

- Moving home course from Wike to literally anywhere else

-Increasing memberships and diversity (women)
