

Hello!

I'm Ellen, a third year International Relations student. I'm running for the role of Press & Publicity because I enjoy finding creative ways to create social media content. In my free time, I run a digital art account & would love to create designs for the Swift Soc social media pages! I have experience in Marketing & have organised & hosted events at LUU before and therefore believe that I am a good fit for the role.

Ellen x

my mind turns your life into
forever and ever
