SAJIDA ISLAM

for events secretary

@sajida4eventssec

★ Skills & Experience ★

★ **Event Promotion & Ticketing**

Through working with Fresh2Death, I've gained experience promoting student events and selling tickets, developing strong communication and engagement skills

★ **Event Organisation & Fundraising**

Helped organise a charity afternoon tea raising £350 for the Hospice of the Good Shepherd, coordinating activities and working in a team to create a welcoming and successful event.

★ **Community Engagement**

Volunteered at a local care home and worked at a language school for young students, where I learned the importance of creating inclusive environments and making people feel comfortable and valued.

★ Aims ★

★ **Enhance Law's Got Talent with a "Talent Soirée" atmosphere**

Transform the event into a vibrant showcase evening with a stronger show-night atmosphere, including earlier promotion, performer spotlights and the potential for a dinner-style setting to encourage more students to perform and celebrate their talents.

★ **Encourage confidence and participation**

Create a welcoming and supportive environment where students feel comfortable sharing their talents and getting involved.

★ **Maintain and elevate the Law Ball**

Build on the success of the event while exploring creative yet cost-conscious ideas, such as collaborating with independent vendors and introducing interactive elements to enhance the evening.

★ **Engage members in shaping events**

Use polls and feedback from LawSoc members to help decide elements such as Law Ball themes and other event ideas.

for events that shine, vote for sajida this time!

About me

Hi! I'm Sajida and I'd love to be your next events secretary for 2026/27!

I'm a first year LLB Law student interested to pursue a career as a solicitor or barrister but particularly in commercial, criminal or human rights law and I'm originally from Chester.

Outside of law, I play for LUUWLC and I love baking, travelling, pilates and nights out!

I've really enjoyed being part of Leeds Law Society this year, and I believe I would be an enthusiastic and organised Events Secretary, committed to creating exciting, inclusive and memorable events for the Law Society community :)
