Why me?

I am a passionate skier. I'm a friendly and approachable person, plus I like to make new people feel included. I love being involved in all Snowriders activities. I love the atmosphere so much I try to attend as many events as possible. I have made many great friends by showing up and speaking to people throughout the year.

What I have attended:

Terrace every Thursday, meeting the Snowriders post Cas. All snow riders themed club nights. Multiple freestyle sessions at Cas, 2 Easter Trips and Ajam festival.

My aims:

- To ensure Snowriders events and socials are inclusive to newcomers and are fun enough to make them want to come back again.
- To create more themed socials at varying clubs (not just Old Red on a Thursday).
- To make the socials inclusive to non-skiers and snowboarders so they can experience Snowriders' culture, and hopefully join some of the beginner lessons or ski trips.
- To continue giving opportunities to DJ's from within the society to perform at snowriders events.
- To give fun activities for those spectating at kinetic supporting the racers.
