

VOTE BRODY FUTCHER FOR SECRETARY

OBJECTIVES

1. Lobby for **investment in rec** - make sure rec has decent rackets and shuttles and help set up a numbering system to keep track of inventory.
2. Communicate effectively - open conversation with LUU (beg them to change our 9am Sunday slot). I will also listen to your ideas and suggestions.
3. **Efficiency** - Complete tasks promptly and create meeting agendas so meetings run as smoothly and quickly as possible.
4. **Organisation** - Keep all notes from meetings and suggestions in one place to ensure ideas are followed up. Set up a consistent, anonymous way for committee to receive **feedback**.

WHY VOTE FOR ME?

As your secretary, I will make sure **rec is better funded**. I've been playing badminton since school so I know what it's like playing with an awful racket.

With experience as **club rep last year**, I already have a good understanding of how things work (sort of!).

Despite my questionable emailing skills, I will communicate effectively and efficiently with LUU !!

Therefore, if you want **improved rec, organisation and communication** vote Brody for Secretary !
