

# erin 4 president!

## About me:

- ~ I am a second year child nursing student.
- ~ I joined salsa 2 years ago in my first year and have been a loyal member & part committee ever since (you can't get rid of me)
- ~ I am half Spanish and half English, I have family in both York and Malaga.
- ~ Backroom is my second home (you all know me by now)
- ~ I love to travel and make friends!

## Why me?

- ~ Being Social Sec last year, I gained vital insight into how the society operates and the hard work necessary to ensure Salsa Society is structured, welcoming, and diverse.
- ~ I want to carry on from Giselle's amazing presidency this academic year and continue to uphold the societies values and goals.
- ~ I will promise to maintain Salsa's diverse and friendly environment as I have gained rich friendships from this society and I will ensure this continues next year.
- ~ I intend to expand Salsa's community further and welcome more members into our family in 2025/26.

I love my Salsa Family  
and I would love to be your President  
next year!

Voted friendliest member too btw ;)
