

On placement I missed dancing so much I got a zumba instructor qualification!

Ballet is my thing!! So would love to teach some technique.

Don't expect me to do moves like this anymore!

This year I am doing a street dance (promised myself)

Vote Chess for Sec

Super organised (although still aspiring to be Rachael)

Hi everyone, for those who don't know me, I'm Chess, currently on placement but am super excited to return to Expose next year. I have a passion for dancing and it has been always been a huge part of my life. When I joined Uni I had just stopped dancing professionally, which was the hardest decision I have ever had to make. As my job, dancing had been all inclusive, stressful and extremely intense (as well as amazing!) so I was really nervous to start again at Uni. But Expose made it so easy for me to remember the fun and love I have for dance and I am so happy that I found this society. In order to give back to Expose, I want to put myself forward at secretary this year.
